WHERE FAMILIES THRIVE

Haysville offers the best of both worlds with community living and easy access to big city amenities.

Our schools are excellent, winning state awards for academics as well as their focus on students and their safety. We have several Blue-Ribbon schools, and one of only two International Baccalaureate programs in the region.

Many of our school buildings are new – including a 500-seat natatorium for swimming competitions, as well as state-of-the art classrooms, gymnasiums and tennis courts. The school district is committed to keeping our student-to-teacher ratio low and the quality of education high.

Most service needs can be met right here in Haysville, from medical, chiropractic and childcare facilities to banking, salons and automotive services.

Quality of life is key in Haysville. Well-maintained, lighted sidewalks meander through and around disc golf courses, parks, public fishing ponds and more. Add our senior center, community library and activity center to the mix for plenty to do year round.
